CLASS HISTORY

In 1949 fifty-nine students from Odon, Raglesville, Shiloh, and Crane made up the freshman class. We elected Mr. Dobbins as our sponsor; Roscoe Franklin, president; Barbara Doolin, vice-president; Joanne Trueblood, secretary and treasurer; Sondra Seneff, class reporter.

During our freshman year and the following summer we lost these students: Charles Aishe, Shirley Callahan, Violet Dove, Amos Knepp, Fanny Knepp, Rex Mallette, and Shirley Myers.

We, as sophomores, fifty-five in number, elected the following officers: Mr. Brenneman, sponsor; Roscoe Franklin, president; Karen Abrell, vice-president; Carl Jensen, secretary and treasurer; Jerry Sibray, class reporter. We gained these students during our sophomore year: Alice Bond, Charlotte McKee, Clara Tipsword, and Edward Winklepleck.

During our sophomore year and the following summer we lost these students: Camilla Bateman, Marie Reynolds, Irene Knoblett, Virgil Byrer, Harold Phillips, Clara Tipsword, and Edward Winklepleck.

We began our junior year with fifty students. We had gained Kermit Beasley, Mary Haywood, Albert Sims, and Shirley Walker. During the year we lost Alice Bond and Albert Sims. We elected Mrs. Pate as our sponsor; Robert Boyd, president; Barbara Doolin, vice-president; Roscoe Franklin, secretary; Carl Jensen, treasurer; Shirley Ragle, class reporter.

Our candidates, Joanne Trueblood and Kermit Beasley, were crowned "King and Queen" of the school carnival that year. On March 28, 1952, we presented our junior play, "Forever Albert". We entertained the seniors with a Cinderella banquet and ball.

When we began our senior year, there were forty-five of us. We were very proud of ourselves, because we had gone as far in school as we had. We elected Mr. Jensen as our sponsor; Gary Seneff, president; Robert Boyd, vice-president; Jo Ann Scott, secretary; Mary Humerickhouse, treasurer; Shirley Guthrie, class reporter. Our class lost Robert Arney, Kermit Beasley, Ruth Brumett, Don McNabb, Shirley Walker, and Harold Williams during the summer before our senior year. We gained Gene McCall.

During the first semester we presented a play, "Mrs. Astor's Horse". We have taken two trips so far. February 3, 1953, we visited the RCA factory in Bloomington, Indiana. February 13, we attended the Indiana State Legislature. We hope to make other trips before we graduate.

We have given the events which we think are the most important of our school years. We wish to thank the teachers and everyone who has helped us throughout our twelve years of school and we hope that we can make all of them feel that their efforts have not been in vain.

CLASS PROPHECY

July 4, 1967

Dear Mother:

The day is over and what a day it was. With forty-one seniors of '53 and all their families. It was a wonderful occasion for all of us. This was the first time we had been together since graduation. It was a great surprise to me that everyone of us was able to attend. They were all about the same. Here's a little gossip about each one.

George Breeden, alias "Tweeny" who travels to all types of celebrations with his fireworks and settings gave us a wonderful show. He is still a bachelor.

As for bachelors we have several more including those old chums, Roscoe "Bus" Franklin and Jim Adams, they now own the Atomic Dog Food plant at Chicago.

Mary Humerickhouse is now married to Richard Woodruff and they have two little darlings.

Joanne and Jack Franklin, Shirley and Lee Townsend, and Nora and Don Chestnut are still the same old happy couples that we had at Odon high except for a few additions to the families.

I was so glad to hear Charlotte Williams was a successful horse trainer. Max Sinclair is riding some of Charlotte's Derby winners.

Barbara Doolin and Charles Bunch have a beauty shop and grocery store combination in Odon.

Mary Myers and Roger Riggins finally got married after going steady for eight years.

George Winklepleck, Paul Norris, Gene Dyal and Gene McCall are now owners of the largest mid-west chicken farm. It is located just outside of the city limits of Farlen.

Shirley Ragle is now married to John Russell, who is a minister at Odon.

Bob Malone, Carl Tarvin and Hilbert Core are happily married farmers and landlords of some of the largest producing farms in Indiana.

Karen Abrell has been married for years to Joe Humerickhouse whom she secretely married during her high school days.

Emily Gee finally has married Bill Ketchum, who owns the Ford Garage at Elnora.

Yes, Ernestine Atchley and Orum Jones are married and have three children.

Catherine Toal and Mary Sims who are private secretaries in Chicago have just returned from Europe. A romantic trip I hear!!

After all these years Owen Gee is still popping corn at the Odon theater. He owns the theater too. Is he stingy or can't he afford to have a boy to pop corn?

Fred Porter, now married to Kay Mullis, is helping his father-in-law sell TV sets.

Cora Ann Turocy, the old maid of our class, spends most of her time traveling. She is well known in the political field.

Charlotte McKee is married and living in Indianapolis. She is teaching little children how to paint and become famous artists.

Jerry Sibray is now flying those large jets. He has succeeded in damaging many of the enemy planes.

Virginia Breeden is a widow again. She has been married three times but has been having misfortune in losing them. It is rumored they died of poisoning.

Harold Stuffle is doing a good job of being papa to all those little ones he and Sue Boardman have.

Lillian Arvin is now married to Rex Mallette and she is one of the most popular artists of our day.

Robert Boyd, the famous bass horn player, is now band director at Odon. His wife Lela is a great help to him in his work.

Gary Seneff is following his father's foot steps. He is now running the Odon grocery. He also teaches dancing to the little tots of Odon.

Carl Jensen is an architectural engineer. He draws plans for the ultra modern homes. Jo Ann Scott and Jerry Neiswanger are living in his latest model.

Bruce Miller is in the automobile industry. He has a streamlined model A convertible at the present.

Yvonna Reed and Bill Helms are spending their happily married life in Park, Indiana.

Sondra Seneff is now a Powers model in New York. It seems that Sondra is the famous lady of our class.

Barbara Kirk is now the latest star in the movie world. Her next picture is "Who's There".

Alice Westmoreland is living near Odon. She and her husband are a very happy couple.

Mother, don't you think our class has been very fortunate, we are all so happy and contented. Bye until later.

Cora Ann Turocy
Owen Gee
Fred Porter
George Breeden

A newly created papa received the glad tidings in a telegram: "Hazel gave birth to a little girl this morning; both doing well."

On the message was a sticker reading: "When you want a boy call Western Union.

"Cats, my dear," said the spinster, "I hate the very sight of them. I had a perfect parrot, and some cat got that; I had an adorable fiance, and—oh, don't even mention cats to me!"

SENIOR WILL

Ladies and Gentlemen, Board of Education, Superintendents, Teachers, and Friends:—

Upon behalf of my client, the Class of 1953, of Odon High School, of the city of Odon, State of Indiana, U. S. A., I have called you together upon this solemn and serious occasion, to listen to her last will and testament, and to receive from her dying hand the few gifts she has to bestow in her last moments. Cutting so rapidly loose from life, and finding so many things of such gigantic proportions to be attended to before the end should come upon her, realizing at the same time that she had no longer any time left to spend in cultivation of her own virtues, she did, collectively and individually, deem it best to distribute these virtues with her own hands to those friends to whose needs they seem best fitted. As a result of this announcement a wild scene took place amidst most frantic pleading and scrambling among her friends for this or that so long coveted glory; but she has tried to be just, as well as generous and impartial, and distribute wisely unto those who will make the best use of such gifts as she has in her power to bestow, the talents that have served her so faithfully these four years. These are her decisions, as at last definitely arrived at through very deliberate consideration. Owing to the flighty condition of her brain, and the unusual disturbance in its gray matter, she begs me to state for her that she may quite possibly have been mistaken in her inventory; but such things as she thinks she has, she hereby gives into your possession, praying that you will accept them as a sacred trust from one who has gone before.

Listen, then, one and all, while I read the document, as duly drawn up and sworn to:

We, the Class of 1953, in forty-one and distinct parts, being about to pass out of this sphere of education, in full possession of a crammed mind, do make and publish this, our last will and testament hereby revoking and making void all former wills or promises by us at any time heretofore made, or mayhap, carelessly spoken, one to the other, as the thoughtless wish of an idle hour.

And first we do direct that our funeral services shall be conducted by our friends and well-wishers, our superintendent and his all-wise and ever-competent faculty, who have been our guardians for so long, only asking, as the last injunction of the dying, that the funeral be carried on with all the dignity and pomp that our worth, our merit, our attainments, and our positions as Seniors of "grave and reverend mien" must certainly have deserved.

As to such estate as it has pleased the Fates and our own strong hands and brains to win for us, we do dispose of the same as follows:

We give and bequeath to the dear faculty, who have been our instructors in all the wisdom of the ages, a sweet and unbroken succession of restful nights and peaceful dreams. No longer need they lie awake through the long watches of the night to worry over the uncertainty of whether this one is doing her night work, or that one will have her government in afternoon class, or the other one will remember every iron-clad rule of compositional technique in the preparation of her essay. It has been a hard strain on them, for seniors are said to be at all times and under all conditions difficult to manage. But they have all done their duty, and verily, now shall they have their well-earned reward.

We give and bequeath to the junior class our senior dignity. May they uphold it forever, with all seriousness and gravity, endeavoring to realize its vast importance, in spite of their natural light-mindedness and irresponsibility.

Any stubs of pencils, erasers or scraps of paper that we may inadvertently leave behind us in the excitement and haste of gathering up our cherished treasures for the last time. May they feel free to make use of them, and feel, perhaps, that they may, in some mystic way, impart some of our great knowledge to them. These we give and bequeath to the sophomore class.

We give and bequeath to the freshman class any overlooked cuds of gum we may have left adhering to the underside of desks, banisters, assembly seats, or any likely or unlikely places. We have sometimes had to rid ourselves of these in too much haste to be able to pick and choose the most desirable means of disposal.

Again, we give and bequeath to our beloved faculty all the amazing knowledge and startling information that we have furnished them from time to time in our various examination papers. We know that much we have imparted to them in this way must have been entirely new to them, as well as to all teachers and students everywhere, and would throw much new light on many a hitherto familiar line of thought, throughout the whole world of science and learning, even outside the halls and walls of Odon High School. If the faculty see fit, they are hereby authorized to give out such of this information to the world as they may feel the world is ready to receive. We trust they will also feel at perfect liberty to make use of all such bits of wisdom and enlightenment for the education of the classes to come after us. This, of course, is left entirely to their personal discretion.

To our successors we must leave not only our ability to make money but our places in the hearts and thoughts of our teachers. They will love them, unworthy as we feel they are, even as they have loved us; they will show them all the same tender kindness and attention that they have bestowed upon us; they will feel the same interest in their attempts and successes; the same sorrow when they fail.

Besides these enforced gifts, we leave—not of necessity, but our own free will—our blessing, tender memories of our pleasant association together, and our forgiveness for anything that we may not have exactly appreciated in the demonstrations of the past, and a pledge of friendship, henceforth and forever.

All the rest and residue of our property, whatsoever and wheresoever, of what nature, kind and quality soever it may be, and not herein before disposed of (after paying our debts and funeral expenses), we give and bequeath to our beloved Principal, for his use and benefit absolutely, and to be disposed of for the good of the coming classes as he may see fit.

And we do hereby constitute and appoint the said Principal sole executor of this our last will and testament.

In witness whereof, we, the class of 1953, the testators, have to this our will, written in our annual, set our hands and seal this sixth day of May, one thousand nine hundred and fifty-three.

CLASS POEM

This isn't quite perfect but please let it pass
For it is just a few lines on the "fifty-three class".

First is Karen Abrell, a girl you all know
Her personality will always show.

Jim Adams is Buster's pal,
He doesn't have a steady gal.

Lillian Arvin is going to be a housewife,
She'll be Rex Mallet's the rest of her life.

Ernestine Atchley, to Orum she's true
In English class her gum she loves to chew.

Now Bob Boyd is captain of our team,
When it comes to Lela, he's on the beam.

George Breeden, the clown of the class,
Who would have thought he would ever pass?

Virginia Breeden, George's twin sister,
She hopes someday to catch the RIGHT mister.

Here comes Hilbert Core, he's a tall guy,
Everyone agrees that he is not shy.

Cooking is Norma Ramsey Chestnut's chore,
We're sure she'll never find it a bore.

Barbara Doolin, she's a red head,
Watch out Charles! That temper she'll shed.

Gene Dyal, now there's a nice lad,
As a farmer he won't be bad.

Roscoe Franklin is noted for speeches, makes a great fuss,
We can't tell him as much as he can tell us.

Joanne Trueblood Franklin is Jack's wife,
She is a fine girl and leads a happy life.

For Bill, Emily Gee would stand on her ears,
She's been wearing his ring for two years.

Owen Gee is a cute little cuss,
Over him all the girls really make a fuss.

Mary Humerickhouse is a cute little girl,
She leaves Richard in a whirl.

Now, Carl Jensen is college material,
He'll make his mark, we're sure he will.

Barbara Kirk with that wavy red hair,
When it comes to boys, she leaves them in a stare.

Now, Bob Malone is next on the list,
We wonder if he has ever been kissed.

Vera Nell Maryfield is a little plump,
But my! For a boy friend she will really jump.

Gene McCall, a tall blonde and sharp,
Hails from Epsom and is a happy lark.

We have a good artist, it's Charlotte McKee.
Our cheer leader too, and cute as can be.

Bruce Miller, better known as Cork!
Basketball and girls are his favorite sport.

Paul Norris, better known as Joe,
Someday as a veterinarian he'll really go.

Mary Myers wants to be a school marm,
To Roger Riggins she is a sure charm.

Fred Porter, the girls think he is cute,
In the air force, it is he they will salute.

Shirley Ragle is a smart little miss,
John Russell is the one she likes to kiss.

A sweet girl, Yvonna Reed is,
With Bill Helms she is quite a whizz.

Now there is Jo Ann Scott with the blonde hair.
When she's with Jerry, she is walking on air.

Gary Seneff is good in math,
In life we hope he takes the right path.

Sondra Seneff, an all right lass
She's the brain of the class.

Jerry Sibray, with girls he's not shy,
His mind is always in the sky.

Mary Sims is Catherine's pal,
Everyone agrees she is quite a gal.

Max Sinclair, the shortest of all,
With Jeannie he is really on the ball.

Herald Stuffle is Sue's steady beau,
After graduation, off to college he'll go.

Carl Tarvin is a quiet fellow,
When it comes to girls, he is mellow.

Cora Ann Turocy always good on a test,
Sit by her and you will pass with the best.

Shirley Guthrie Towsend now married to Lee,
Lives in a trailer and is as busy as a bee.

Alice Westmoreland, a quiet little maiden,
Through life with Ronald she will be wadin'.

Now, Charlotte Williams looks like an elf,
She'll be an old maid, she says so herself.

George Winklepleck, small as a flea,
He'll be a farmer, you wait and see.

Now this was hard to make rhyme.
But gee! We had a good time!

LAURA RUSSELL

In the "best ever" campus carnival, held September 12, Laura Russell was crowned Carnival Queen. She represented the Junior Class and received the highest number of votes. John Poindexter, also a Junior, was campus King.

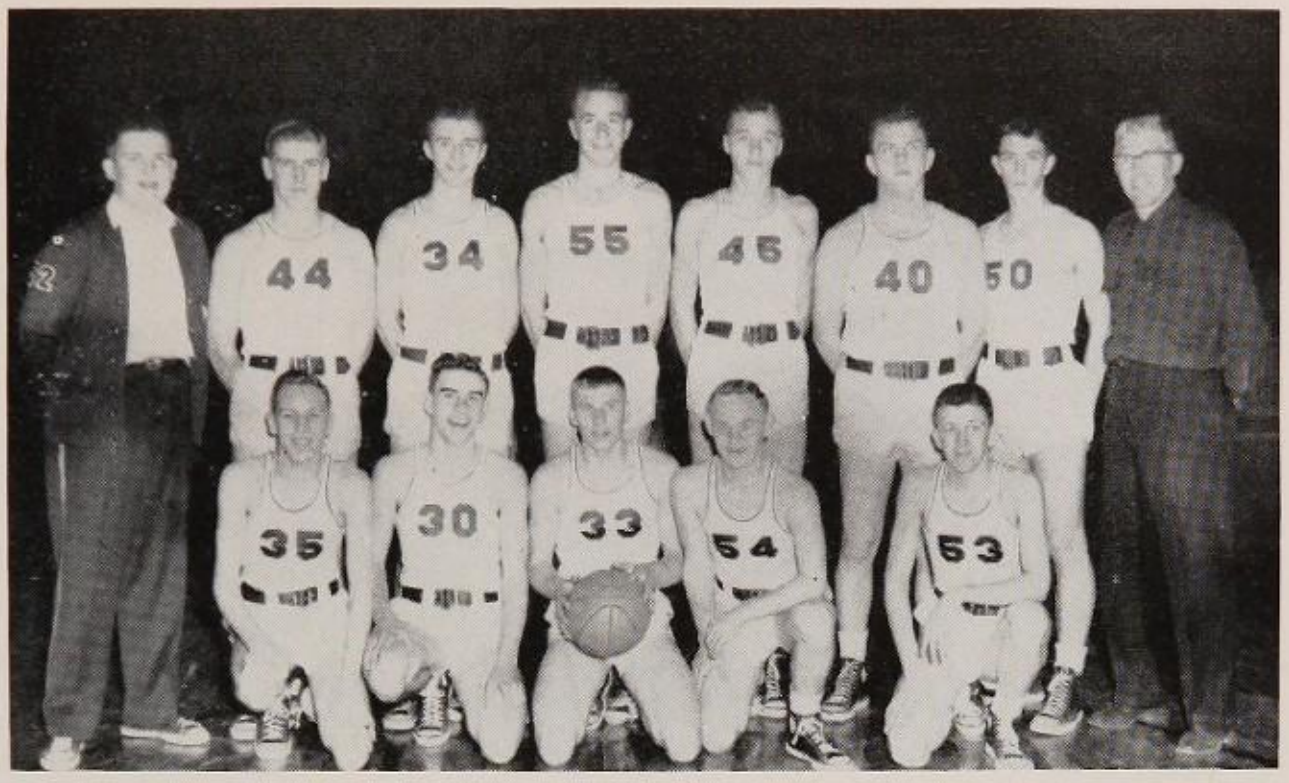
Although this is an annual affair, it has never been won by any candidate other than that representing the Junior Class.

VIRGINIA BREEDEN

Virginia Breeden was crowned basketball queen in a beautiful ceremony that was held between halves of the Loogootee game. Bob Boyd, captain of the Bulldogs placed the crown upon the queen and she was escorted to the throne. Following Virginia were her three attendants, Karen Abrell, Mary Humerickhouse, and Jo Ann Scott, escorted by the other members of the team.

The new queen received a bouquet of white carnations and all the girls received silver bracelets, presented by the athletic department.

VARSITY BASKETBALL



Front Row (left to right): Delbert Cooper, Robert Ramsey, Bruce Miller, Carl Jensen, Donald Sinclair.

Back Row: Darryl Bechtel, manager; Donald Ragle, Larry Sims, Junior Cook, John Wikle, Robert Boyd, Pat Stuffle, Don Davis, Coach.

SPORTS

BOB BOYD, who is a senior this year, is a forward for the Odon Bulldogs. He is one of the bigger boys, standing at 6'1". He is the captain of the squad this season.

JUNIOR COOK is the big boy who measures 6'4" in height. Junior plays center on the team. He is only a junior, so we will be seeing him again next year.

DELBERT COOPER is another junior. He is one of the smaller boys, standing at 5'9". Although Delbert hasn't seen very much action this year, he was always present when needed.

CARL JENSEN, a senior, is the smallest boy on the team. He is 5'5" tall. Due to his size and lack of experience, Carl hasn't played much ball this year, but he has shown splendid effort.

BRUCE MILLER, a senior boy better known as "Cork", plays guard. "Cork" is only 5'9" tall. Although he is smaller than some of the boys, he is a good ball-player, and we will miss him on the team next year.

DONALD RAGLE, a junior this year, stands 5'11". He is also handicapped by the lack of experience and hasn't played much this year. Since he is only a junior, we will expect to see him back next year.

BOB RAMSEY also a junior, is one of the shorter boys, measuring 5'10". Bob plays guard and has proved to be a great scoring punch this year.

LARRY SIMS, another forward for the Bulldogs, is only a sophomore. Larry is 6'2" tall. During this season he has proven to be a very good shot. We will be seeing more of him in the next two years.

DONALD SINCLAIR is also a sophomore. Don is 5'10" tall and plays both forward and guard. Although he has played most of this season on the second team, he will be in there fighting for two more basketball seasons.

PAT STUFFLE who is 5'11½" helps to recover a lot of rebounds for Odon. Pat is a sophomore and will be with the Bulldogs for two more years.

JOHN WIKLE is another sophomore boy measuring 6' tall. John played on the second team the first half of the ball season. He has made much improvement this year and is now playing with the varsity.

A Sportsmanship Award is given each year to the player who is judged to show the best mental attitude during the season. Last year this award was won by "Corkie" Miller. He is shown with the permanent award given to the school by the Odon Lions Club. The award winner also receives a smaller trophy for himself. This is considered to be quite an honor and we are proud of Bruce and feel that the committee made a well deserved choice in selecting him. The winner of this year's award is not known at this time.

Yvonna is a senior and we are especially honored for her to receive this award. Congratulations, Yvonna.

MUSIC DEPARTMENT

Last summer we played at Old Settlers. On the first day we marched in the parade and on the other days we gave a concert in the afternoons and one at night. At that time we had our new band director, Mr. William Fread.

August 28, 1952, we went to the State Fair Parade at Indianapolis. The contest was held in downtown Indianapolis instead of at the race track at the State Fair Grounds. Our band tied for seventh place out of forty-one bands.

Saturday, October 11, we journeyed to Salem, Indiana, where we won first division in the marching contest. Sherman McClellan also won a first division in twriling.

The band went to Vincennes to the Marching Festival the night of October 14. After all the bands had marched on the football field, all the majorettes of the bands were asked to march in a single file onto the football field. Yvonna Reed, a majorette from our band, was chosen queen of the Festival.

On October 24, we played for the Odon Republican Political Rally, and the band appeared again on October 30 at the Elnora Democratic Political Rally. We played for the annual Hallowe'en Frolic on October 31.

November 1, basketball season started, and the band gave one of its many enjoyable performances. Sherman McClellan and Ernestine Atchley twirled at different times throughout the season.

The band participated in the Christmas parade at Washington. On December 22, we were guests at the Indiana Theatre in Washington where we saw the show, "Stars and Stripes Forever". It was concerning the life of John Philip Sousa.

We played a short concert for Farmers' Institute on January 20. We were very pleased to be asked to play for it.

Solo-ensemble contest at Indiana University! Twenty-three of the band members participate, bringing home nine firsts, eight seconds, and seven thirds. The students who won firsts in class C went to Indianapolis to the All State contest. One of the five who went won first division. Two second divisions and three third divisions were won.

We are practicing for the concert contest which is held April 18. We are hoping to bring home a first.

SENIOR CLASS SONG

(To tune of: "Don't Let The Stars Get in Your Eyes")

We are the seniors of the school,
We've never broken a rule.
We will our wit,
Don't you forget,
To the juniors of the set.
Oh, just remember
We are leaving you and we will be successful in the
things we strive to do.

Verse I

Too many books,
Too many rules,
Too many teachers
In our schools.
We've been around so long
That we're traveling on
To see the world and sing our little song.

Verse II

After we're gone,
You'll travel on
To do the same things
We have done.
And we hope to you
All the joys that we once knew
We give to you the misery we've been through.
